FQ-SECT-3202RT

This CCTV camera features a robust plastic housing, delivering 2MP resolution (1920×1080) at 30fps with efficient S+265/H.265 compression. It excels in low light with 0.02Lux sensitivity and 30m IR range. Built-in mic, PoE support (IEEE 802.3af, max 3W), and operation in -30°C to 60°C temperatures ensure reliable performance, making it ideal for versatile surveillance needs.

These IP Cameras deliver outstanding picture clarity, seamless system integration, and secure data transmission, making them an ideal choice for medium to large enterprises. Designed for both indoor and outdoor use, these cameras provide robust performance in diverse environments. With easy installation and advanced security features, this Series IP Cameras ensure reliable, high-quality surveillance for businesses looking to enhance their security infrastructure.
